New England Educational Research Organization

The New England Educational Research Organization (NEERO) is a regional research organization with approximately 200 members from colleges and universities, public and private schools, state and local educational agencies, health and social service agencies, and private education firms. NEERO is a member of the Consortium of State and Regional Educational Research Associations (Consortium/SRE RA) and is an Aligned Organization of the American Educational Research Association (AERA).

Mission

- provide a stimulating, supportive, and friendly forum for presentations;
- identify and disseminate successful practices;
- improve educational programs and supervisory practices; and
- encourage the application of innovative and sound research and evaluation and methodology.
